

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA
COLUMBIA DIVISION

Damon L. Jackson, #500803,

Plaintiff,

v.

State of South Carolina; County of Sumter;
Sumter-Lee Regional Detention Center; Simon
Major, Jr. Director of Sumter-Lee Regional
Detention Center,

Defendants.

C/A No. 3:05-2451-GRA-JRM

ORDER
(Written Opinion)

This matter is before the Court for a review of the magistrate's Report and Recommendation made in accordance with 28 U.S.C. § 636(b) and Local Rule 73.02(B)(2)(d), D.S.C., and filed September 28, 2005. The magistrate recommends summarily dismissing this action as to three of the named defendants, State of South Carolina; County of Sumter and Sumter-Lee Regional Detention Center, on the grounds that the detention center is not a person subject to suit under 42 U.S.C. § 1983 and the State of South Carolina and County of Sumter are immune from suit pursuant to the Eleventh Amendment to the United States Constitution. For the reasons stated below, the Report and Recommendation is accepted and adopted in its entirety.

The Plaintiff is proceeding *pro se*. This Court is required to construe *pro se* pleadings liberally. Such pleadings are held to a less stringent standard than those drafted by attorneys. *Gordon v. Leeke*, 574 F.2d 1147, 1151 (4th Cir. 1978). This

Court is charged with liberally construing a pleading filed by a *pro se* litigant to allow for the development of a potentially meritorious claim. *Haines v. Kerner*, 404 U.S. 519, 520 (1972).

The magistrate makes only a recommendation to this Court. The recommendation has no presumptive weight, and responsibility for making a final determination remains with this Court. *Mathews v. Weber*, 423 U.S. 261, 270-71 (1976). This Court is charged with making a *de novo* determination of those portions of the Report and Recommendation to which specific objection is made, and this Court may "accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate." 28 U.S.C. § 636(b)(1). This Court may also "receive further evidence or recommit the matter to the magistrate with instructions." *Id.*

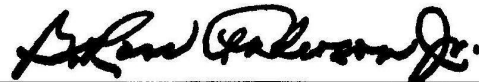

In order for objections to be considered by a United States District Judge, the objections must be timely and must specifically identify the portions of the Report and Recommendation to which the party objects and the basis for the objections. Fed. R. Civ. P. 72(b); see *United States v. Schronce*, 727 F.2d 91, 94 n.4 (4th Cir. 1984); *Wright v. Collins*, 766 F.2d 841, 845-47 nn.1-3 (4th Cir. 1985). "Courts have . . . held *de novo* review to be unnecessary in . . . situations when a party makes general and conclusory objections that do not direct the court to a specific error in the magistrate's proposed findings and recommendation." *Orpiano v. Johnson*, 687 F.2d 44, 47 (4th Cir. 1982). Furthermore, in the absence of specific objections to the Report and Recommendation, this Court is not required to give any explanation for

adopting the recommendation. *Camby v. Davis*, 718 F.2d 198 (4th Cir. 1983). No objections to the magistrate's Report and Recommendation have been filed.

After a review of the magistrate's Report and Recommendation, this Court finds that the report is based upon the proper law. Accordingly, the Report and Recommendation is accepted and adopted in its entirety.

IT IS THEREFORE ORDERED that this action be DISMISSED without prejudice and without issuance and service of process as to the defendants State of South Carolina; County of Sumter and Sumter-Lee Regional Detention Center.

IT IS SO ORDERED.

G. ROSS ANDERSON, JR.
UNITED STATES DISTRICT JUDGE

Anderson, South Carolina

October 27, 2005

NOTICE OF RIGHT TO APPEAL

Plaintiff has the right to appeal this Order within thirty (30) days from the date hereof, pursuant to Rules 3 and 4 of the Federal Rules of Appellate Procedure. Failure to meet this deadline, as modified by Rule 4 of the Federal Rules of Appellate Procedure, will waive the right to appeal.
